

## Welcome

.....

**Welcome to the first edition of the GRH Food Company Ltd newsletter.**

**The future is looking positive for GRH Foods as we enter an exciting period, with a number of changes and a couple of launches planned for the year ahead.**

For those who don't know who we are, GRH Food Company Ltd specialise in the supply of grated, block and sliced cheese and is dedicated to satisfying all your cheese needs. Delivering predominantly hard cheese - cheddar, mozzarella and territorial cheese - in a form that suits you, we offer expert advice to the pizza and food service industry and provide bespoke blends of mozzarella and cheddar to fulfil your exact requirements.

With customers operating within the industrial, wholesale and food service sectors throughout the UK we maintain strong working relationships with many companies throughout these sectors.

But enough from me, have a read about some of the exciting news and come and visit us at this years IFE (International food and drink event) 2009 at the Excel Centre in London.

## GRH name superb new product...

# Signature

*Cheese to Please*

## Mature and Mild Cheddar

The idea behind Signature is to give a consistent quality and flavour to meet the discerning chefs' exacting requirements every time.

Signature Mature and Mild Cheddar Cheese will compliment our existing range favourably and is available in grated and block forms

**GRH Food Company Ltd** is one of very few cheese plants that has the compatibility to produce all your grating, diced, sliced and cut block cheese... all produced within our modern and purpose built facility in the heart of Wales.

## Exclusive products from GRH Food Company

# gino's

## PIZZA CHEESE

**The perfect cheese to meet your needs, GRH Food Company are justly proud of their Gino's brand!**

Gino's Pizza Cheese is a blend of the finest Mozzarella and Cheddar cheese, carefully grated and blended together to form a fantastic flavour of cheese that would be proud to grace any Pizza or Pasta product.

Sprinkling Gino's onto hot pasta or melting onto Ciabatta gives that superb cheesy taste!

*Try it...you'll love it*

Our very own 'home grown' cheese...

**Welsh Mild Cheddar**

**Cheddar Mwyn Cymraeg**

At GRH Food Company we work closely with Award winning Welsh cheese makers. Our experienced team selects cheese for its flavour and texture - bringing you a little taste of Wales.

Welsh Mild Cheddar

Cheddar Mwyn Cymraeg

Mae cwmni bwyd GRH yn gweithio'n agos gyda cynhyrchwyr llwyddianus o gawsiau Cymraeg. Mae ein prynwyr profiadol yn dewis cawsiau sydd gyda blas ac ansawdd or safon uchaf a ddisgwylir o'r brandiau.

**New installation will increase efficiency and production.**

Everyone at GRH Food Company Ltd is excited about the installation of our new cutting system and multi head weighing system, which will increase capacity and improve efficiency of the business as a whole.

## GRH Food Company to exhibit at the global food event of the year

# Come and see us at IFE 09 International food and drink event 2009

To coincide with our first newsletter GRH Food Company Ltd are pleased to be exhibiting at the IFE 09 at the Excel Exhibition Centre in London, from the 15th to the 18th of March 2009.

We will be based on the Welsh Assembly Cheese and Dairy Stand (#S4405) so please feel free to pop by and have a chat with our friendly and knowledgeable staff.

For more information about the exhibition visit:

## Andrew ready to get rally dirty

After finishing second in the championship last year, Managing Director Andrew Hockridge returns for a second crack at the Citroen C2R2cup in a brand new Citroen C2R2 Max rally car. The championship begins with Andrew's home event, the Llangollen based Bulldog Rally, but will visit Scotland, Ireland and the Isle of Man throughout the course of the six round series.

## Audit results in another grade A recommendation

Following a recent audit GRH Food Company Ltd are pleased to have maintained Grade A of the new version 5 of the BRC standard (British Retail Consortium). With the new version 5 said to be a lot tougher than the old standard, this is quite some accolade.
