

Grated Cheese

“Only our block cheeses, carefully selected for possessing premium qualities, are used to produce our grated products.”

Shon Jones - Production Manager

At GRH Food Company, we specialise in the supply of grated cheddar, mozzarella and special blends. Our fully automated grating line and rapid delivery service allow us to quickly provide you with the products you need.

We offer expert advice to the pizza and food services industry and provide bespoke blends of mozzarella and cheddar cheeses to fulfil your exact requirements.

We only grate cheese from whole block, chosen for their specific qualities. Our grated blends are selected for their ability to cook and melt easily, as well as for their full-bodied flavour.
